

KALYN SIEBERT EXECUTIVE DIRECTOR OF OPERATIONS ANNOUNCED

Gatesville, Texas – (January 20, 2016) – EnTrans International, LLC recently announced Bill Harris has been named Executive Director of Kalyn Siebert operations for EnTrans International, LLC. Harris will have full P&L and overall responsibility for all Kalyn Siebert sales and manufacturing activities. He will work closely with Kalyn Siebert Plant Manager Phil Kolter to ensure effective and sound manufacturing processes. Additionally, working with Ryan Rockafellow, EnTrans Vice President of Sales and Marketing, Harris will develop a robust strategy to provide great products and services for Kalyn Siebert domestic and global markets.

Harris is a graduate of the Air Force Academy and served as a fighter pilot as well as held senior support roles during his military career. After leaving the military, Harris joined Heil Trailer where he spent nearly 20 years in a variety of domestic and international sales and developmental roles. He has worked in the military equipment and parts sales areas of Kalyn Siebert and brings an extensive knowledge of the company's operations, personnel, customers and markets.

Harris holds a Master's Degree in Aeronautical Science from Embry-Riddle and an MBA from the University of Tennessee, Chattanooga.

Randall Swift, President, EnTrans International, LLC, states, "Bill's immense industry experience and knowledge of our products and manufacturing processes will be invaluable in his new role as Executive Director of Kalyn Siebert operations. We're excited to have him in this key position."
