

EnTrans International Announces New President of Kalyn Siebert

Athens, TN – (August 2, 2017) – EnTrans International, LLC, has appointed Jake Radish as President of Kalyn Siebert. In his new role, Radish will be responsible for all Kalyn Siebert business.

Radish joined Heil Trailer International in 2013 as Plant Manager at the company's Athens facility and was later promoted to General Manager. In June 2016, Radish was promoted to the Director of Operations over both Athens Trailer Operations and Minnesota Trailer Operations.

Radish holds a Bachelor of Science Degree in Business Management as well as a Bachelor of Arts Degree in German from the University of Wisconsin-Green Bay, Austin E. Cofrin School of Business.

"We're very excited to appoint Jake as President of Kalyn Siebert," stated Don Kyle, President of the Energy Division. "He brings a depth of experience and knowledge that will move Kalyn Siebert forward and grow the brand."
