

Kalyn Siebert to Celebrate 50 Years of Innovation and Quality

Gatesville, TX – (November 6, 2018) – Premium heavy-duty trailer manufacturer Kalyn Siebert has announced it will celebrate its 50th anniversary in 2019. A leading manufacturer of premium, custom-engineered, heavy-haul trailers and equipment, the company serves the construction, oilfield, energy, national defense, and specialized transportation and hauling industries.

Established in 1969, Kalyn Siebert was built on innovation and creating the highest-quality engineered products that can be customized to specific customer requirements. It has evolved over the years to serve the changing needs of the market. Since its founding, the company has grown to 180 employees and now operates a 260,000-square-foot manufacturing facility.

“Over the years, we have enjoyed working closely with our customers to provide them with tailored solutions that meet their unique needs,” said Jake Radish, Kalyn Siebert President. “We look forward to continuing our partnership with our customers and dealers, as well as positioning our company for the future. We are focused on strengthening each segment with advanced designs and continuing to meet customers’ specific requirements, while also serving a broader market.”

Kalyn Siebert continues its emphasis on innovation with the introduction of the new VersaMAXX-EXT™ 50T HRG Transformer trailer. Built for the towing and recovery industry, the trailer is operable in all 50 states and optimized for inner-city and single-operator use. The VersaMAXX-EXT™ and other products from Kalyn Siebert will be on display at the American Towman Exposition, November 15-18, 2018, at the Baltimore Convention Center, Baltimore, MD, booth 1197.
